## Why H. S. Stout Succeeds.

Here are a few reasons why H. S. Stout has succeeded in building up the largest tailoring business in Paris:  
FIRST—He recognized the fact that five years ago that the only day of big profits and small sales was past.  
SECOND—He cuts the price of tailor-made garments at least 40 PER CENT.  
THIRD—He kept up the quality of his materials, his styles and his workmanship.  
FOURTH—He always does as he advertised.

### AS A RESULT.

As a result of this system he has built up a large trade that appreciates the fact that they save twenty dollars on a single Suit or Overcoat. "Many customers at a small profit rather than a few customers at a big profit," says H. S. Stout.  
If you want credit, your high-price tailor gladly extends it, for he makes you pay dearly for it in the end.  
Why not turn over a new leaf—wear the best, save money, by giving H. S. Stout a trial?  
He makes the Finest Imported Suits for
